

What is your offshore wind job?

What would you rather do on a rainy day?

Swimming, cycling or something active!

(Go to 2)

Spend time with animals or in nature

(Go to 2)

Tackle a puzzle or a game

(Go to 3)

Something with computers and IT

(Go to 3)

2

Do you like working with machines or tools?

NO

(Go to 5)

YES

(Go to 4)

3

Do you like telling other people what to do?
Are you a bit bossy?!

NO

(Go to 5)

YES

(Go to 4)

4

Are you afraid of heights (for example, would you be scared at the top of a church spire)?

YES

(Go to 6)

NO

(Go to 7)

5

Could you pick up a starfish or an eel?

NO

(Go to 6)

YES

(Go to 8)

6

What would you rather do:
build a lego super-tower for ants
or train a robot to clean your room?

Lego Super-Tower

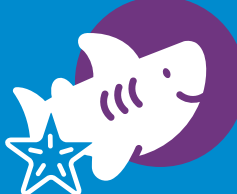

Robot Cleaner

7

You are a Wind Turbine Technician!

8

You are a Marine Scientist

You are an Offshore Wind Turbine Designer

You are a Robotics Engineer!

You can find out more about offshore wind careers and some online resources at www/twp.scot/careers/kids

Enter our competition to win a science and technology set too!

COMPETITION - Can you draw or design a:

Sea Monster

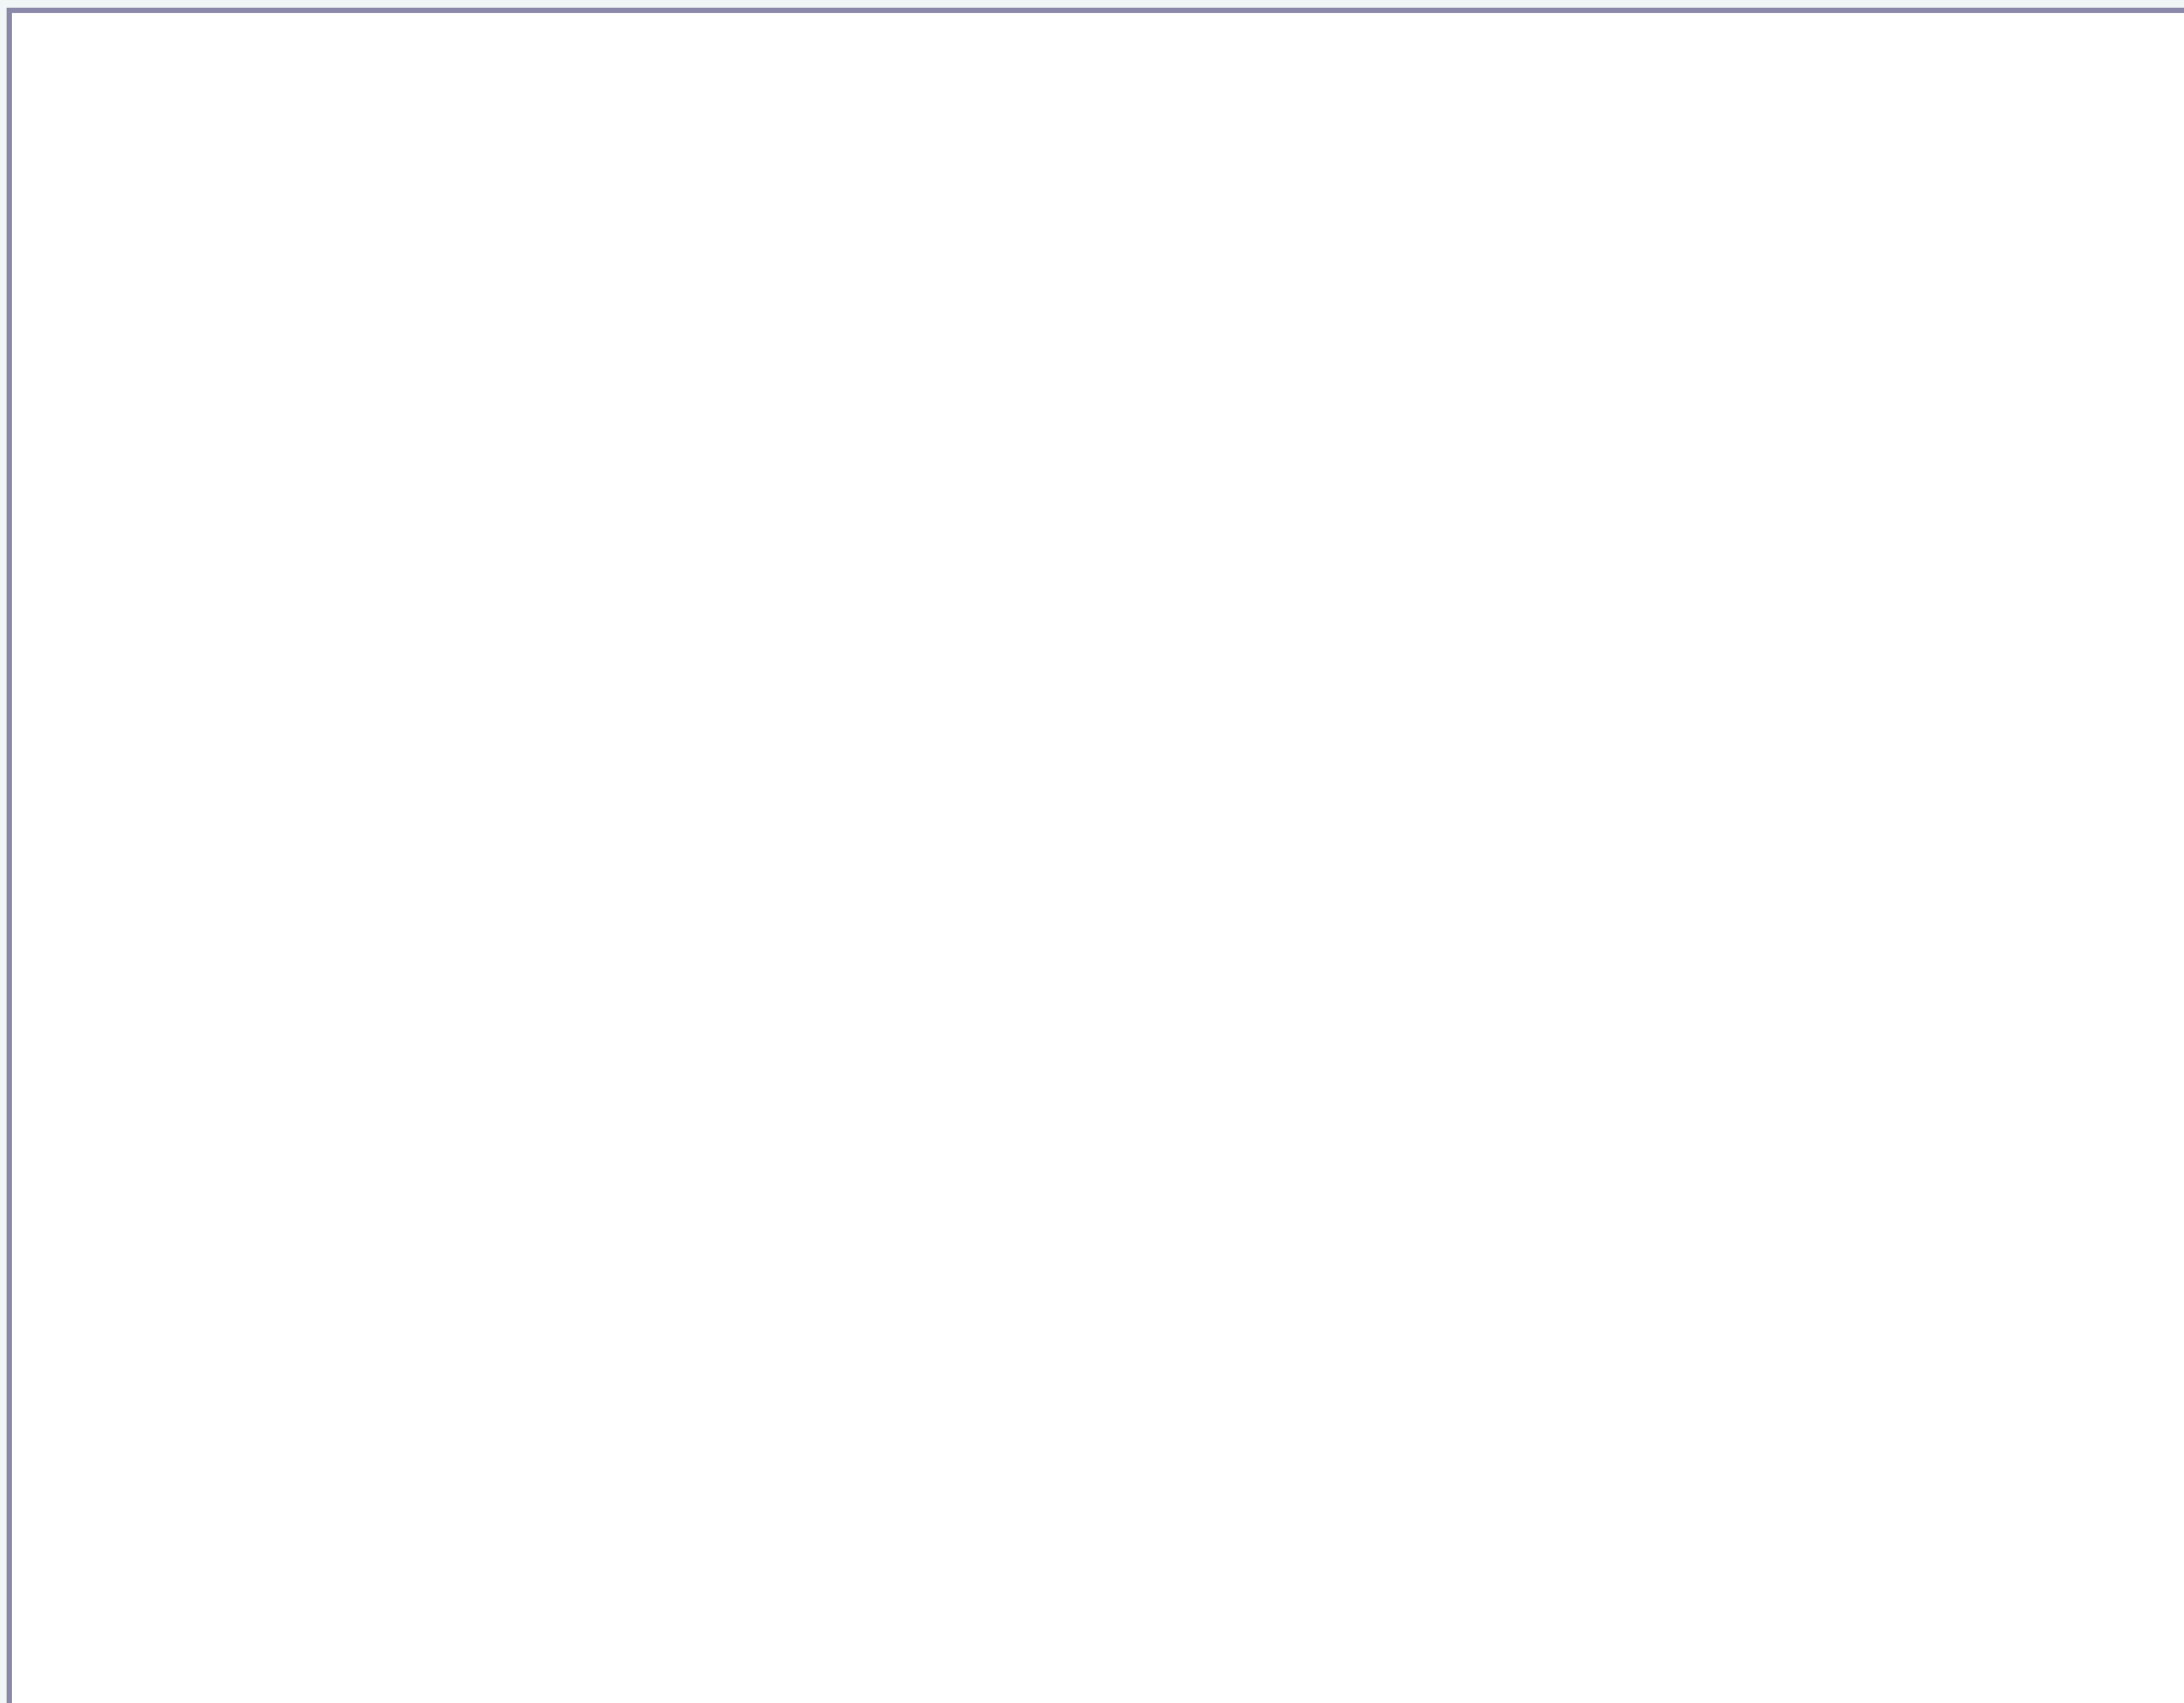

or

Robot who can help look after an offshore wind turbine
(maybe cleaning foundations underwater? Fixing cracks on
blades? Or checking the tower and blades for damage?)

or

Wind Turbine of the Future

– A different shape?
Or made of different materials?

YOUR NAME:

YOUR AGE (so we can choose the right prize):

YOUR ADDRESS:

HOW TO ENTER

You should be under 19 years old, live in the UK and ask permission from a parent or guardian before entering. It is free to enter.

Please send a photo of your design to a.needham@twp.scot or send your design by post to: Thistle Wind Partners (TWP), 12-13 Capital Building, St Andrew Square, Edinburgh, EH2 2AF.

You can enter between 8.30 (British Summer Time), Saturday 3rd June 2023 to 13.00 (British Summer Time) 30th June 2023.

INFORMATION FOR ENTRANTS, PARENTS & GUARDIANS

By entering the competition, you agree that TWP can publish the entry (as a digital image) with the entrant's name and age on its website, LinkedIn and Twitter channels.

The competition judges (TWP's Project Director, TWP's Engineering & Technical Lead) will judge winners based on: 1) creativity, 2) originality and 3) relevance to the design brief.

There will be one winner for each category: Sea Monsters, Robot, Wind Turbine of the Future, who will be announced on our website on 7th July. The prize will be a STEM kit chosen to suit the age of the prize-winner and worth no less than £50. No cash alternative will be offered.

All winners will also be informed by email or letter (depending on how they submitted their entry) and prizes will be sent out to the postal address provided in the entry no later than 31st July.

TWP reserves the right to cancel the competition at any time, if deemed necessary or if circumstances arise outside of TWP's control.

You can view our full terms and conditions at: www.twp.scot/careers/kids
